Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicants's representative discussed with the examiner potential issues raised in claims 48-58 drawn to methods of use of the potential allowable product claims. Applicants representative suggested that they would amend the methods of making a fine chemical to a method of making an amino acid as a means of overcoming any potential 112 first paragraph issues. Applicants representative further suggested that they would cancel claim 58 drawn to a diagnostic method .
